### **IURC TO HOST GAS PRICE FORUM JULY 10th**

No doubt you've heard the predictions about higher than normal natural gas prices this winter. The IURC wants Indiana gas companies to tell us what Hoosiers can expect to pay to heat their homes this year, and what the companies are doing to help keep costs under control.

**Thursday, July 10th**, representatives of the state's natural gas utilities will bring the Commission and the public up to date on the latest projections for natural gas usage for the upcoming heating season. They will also address their company's gas purchases for winter and explain what else will be done to meet the winter demand. **The forum is open to the media and the public.**

It will be held in room TC10 in the training center of the Indiana Government Center South. Below you will find the schedule for presentations.

9:00 a.m. – Citizens Gas and Coke Utility

10:00 a.m. – Vectren Energy Delivery
